PARASHA OUTLINE BY CANTOR VOGEL

Parsha Outline Bereishit

1. God creates the world in six days and rests on the seventh day-Shabbat.
2. Further details about the creation and the Garden in Eden.
3. Adam and Chava in the Garden in Eden, and the sin they committed.
4. The aftermath of the sin, punishment and expulsion.
5. The birth of Kayin and Hevel, the murder of Hevel, Kayin's repentance and punishment.
6. The lives of Kayin's children.
7. The birth of Sheit- Adam and Chava's third son and his son, Enoch.
8. The ten generations from Adam to Noach.
9. A description of the world in the time of Noach, and God's decision to destroy all life in it.

Haftarah Connection

The Haftarah opens with the navi Yeshayahu reminding the nation that God created the world , continues to create every day, creation is an ongoing process and miracle. The navi also reminds us that we the Jewish people were created to be a teacher to the world of what is right and wrong so that they too can become closer to God. We are also required to embody the quality of tzedek-uprightness, of being rigid in living correctly.
